

“SUPPORT TALK”

For Users of BUSTOPS by MicroAnalytics, January, 2006

Happy New Year!

We hope that you had a Merry Christmas and Happy New Year.

Here, at MicroAnalytics, we rang out the old year, and gave everyone an early Christmas present with the release of BUSTOPS₂₀₀₅. The new release has already been received with great excitement by clients who have converted.

New features of BUSTOPS₂₀₀₅ include:

- Pick Lists Wizard including data analysis
- Revised boundary drawing feature
- More automated transfer tracking
- Less manual maintenance for route paths and driving directions

For a complete list of New Features, click on the BUSTOPS₂₀₀₅ Released link at www.bustops.com.

Gavin Berwald, manager of transportation, Beachwood Transportation in Ohio says “BUSTOPS₂₀₀₅ is much more user-friendly. There are less steps involved to achieve results, the entire program is faster than the previous version, and Pick Lists are so much easier to achieve, thanks to step-by-step directions.”

If you wish to discuss the features and benefits of BUSTOPS₂₀₀₅ please call us at 416-691-1222.

If you have any questions please call customer service at (416) 691-1222
